

JOB & EMPLOYMENT SCAM

SabahJobs.com
NO. 1 JOB SITE IN SABAH

Greetings Job Seekers, Job Search is not an easy task. The intense job market here in Sabah had resulted in a number of Scam jobs created by irresponsible individuals/companies. Here are the tips for our fellow Sabahans when searching for jobs online and how to detect a scam job;

- Jobs that requires any payments related but not limited to; business plan, training course, software, uniform, security clearance or any other fees.
- Offers are too good to be true, e.g. promise of a high salary.
- Promotes pyramid selling / opportunity to set up of your own business that promise a large investment return provided with an initial upfront payments.
- Requires personal details, such as your bank account number or identification card or your driving license. These documents could later be used for identity theft.

TO PROTECT YOURSELF;

- Never fall or respond to offers that claiming to guarantee income or requiring you to pay certain fees before they can offer the job for you.
- Never disclose your personal details such as your bank account number or to agree to transfer money to someone else
- Do not provide your login password to any online platform to anyone.
