FINDINGS & ANALYSIS:

Across 21 industries listed as per Malaysia Standard Industrial Classification 2008 (MSIC 2008), here is the Top 10 Job Sectors preferred by local Sabahan graduates base on their current field of study and their job sectors. Most graduates prefer work opportunities in job sectors that are related to their education field of study; while a minority chose a different job sector. To have a better idea of the salary range based on each job sector, please refer to the Employee Report (see page 17).
